IV. Term and Portion of Tax Abatement; Taxability of Property

- A. The County and Owner specifically agree and acknowledge that Owner’s property in the Reinvestment Zone(s) shall be taxable in the following ways before, during, and after the Term of this Agreement:
 - 1. Property not eligible for Abatement, if any, shall be fully taxable at all times;
 - 2. The Certified Appraised Value of property existing in the Reinvestment Zones prior to execution of this Agreement shall be fully taxable at all times;
 - 3. Prior to commencement of the Abatement Period, the Certified Appraised Value of real and personal property owned by Owner located in the Reinvestment Zones shall be fully taxable at all times;
 - 4. During the Abatement Period, County Property Taxes on the Certified Appraised Value of all Eligible Property included in the Project and Improvements shall be abated for the periods and in the amounts as provided for by Paragraph IV(B) below; and
 - 5. After expiration of the Abatement Period, 100% of the Certified Appraised Value of real and personal property owned by Owner located in the Reinvestment Zones shall be fully taxable at all times, including during the remainder of the Term.

B. The County and Owner specifically agree and acknowledge that this Agreement shall provide for tax Abatement, under the conditions set forth herein, of County Property Taxes assessed on the Eligible Property in the Reinvestment Zone(s) as follows:

- Beginning on the earlier of (a) January 1 of the first Calendar Year after the COD or (b) January 1 of the Calendar Year identified in a Notice of Abatement Commencement (as defined below) delivered by Owner (with such Calendar Year being "Year 1" of the Abatement Period) and ending upon the conclusion of ten full Calendar Years thereafter (which 10-year period shall constitute the Abatement Period), the Abatement percentage for each Calendar Year shall be computed by the following formula: (a) 62% of the first-installed Twenty Billion Dollars (\$20,000,000,000) of the Cumulative Certified Appraised Value of Eligible Property Exclusive of Depreciation, plus (b) 80% of the remaining Cumulative Certified Appraised Value of Eligible Property Exclusive of Depreciation. For the avoidance of doubt, if the Certified Appraised Value of Eligible Property Exclusive of Depreciation for property installed in 2027 is Fifteen Billion Dollars (\$15,000,000,000) (based on the January 1, 2028 Certified Appraised Value of such property) and the Certified Appraised Value of Eligible Property Exclusive of Depreciation for property installed in 2028 is Ten Billion Dollars (\$10,000,000,000) (based on the January 1, 2029 Certified Appraised Value of such property), and if the January 1, 2029 Certified Appraised Value of such property installed in 2027 has depreciated to Twelve Billion Dollars (\$12,000,000,000), then the allocation of Abatement percentages applied to the Certified Appraised Value shall be calculated as follows:

Column	B Certified Appraised Value of Eligible Property Exclusive of Depreciation	C Allocated Abatement Percentage	D Less Depreciation Y1	E Certified Appraised Value	F Reduction in Taxable Value due to Abatement	F Taxable Value Net of Abatement that is Subject to County Property Tax	G Percentage of Abatement
		<i>Per Agreement</i>		<i>Column B - D</i>	<i>Column C * E</i>	<i>Column E - F</i>	<i>Column F / Column E</i>
Abatement Year 1 - 2028	\$15,000,000,000	62%	-\$3,000,000,000	\$12,000,000,000	\$7,440,000,000	\$4,560,000,000	62%
Abatement Year 2.1 - 2029	\$5,000,000,000	62%	\$0	\$5,000,000,000	\$3,100,000,000	\$1,900,000,000	62%
Abatement Year 2.2 - 2029	\$5,000,000,000	80%	\$0	\$5,000,000,000	\$4,000,000,000	\$1,000,000,000	80%
Total	\$25,000,000,000		-\$3,000,000,000	\$22,000,000,000	\$14,540,000,000	\$7,460,000,000	66%

2. The foregoing abatement percentages shall be applied to the Certified Appraised Value of all eligible Project and Improvements described in the Certificate (and actually in place in the Reinvestment Zones) for the entire Abatement Period;
 3. The Base Year value for the proposed Project and Improvements is agreed to be zero.
 4. Owner shall provide a Certificate evidencing the commencement date of commercial operations to the County and to the County Appraisal District within sixty (60) days after the COD of each Data Center described in Section III.A. Each such Certificate shall describe any ancillary facilities not required for Commercial Operations that are still under construction or planned for future installation on the date that each such Certificate is delivered, and if the Certificate indicates any such facilities exist, Owner will deliver an amended Certificate to the County within thirty (30) days after each such Project and Improvement construction and future installations are complete. If they meet the definition of "Eligible Property," such ancillary facilities, which specifically include (but are not limited to) any Eligible Property installed or to be installed during the Abatement Period in a Data Center described by the Certificate, once completed or installed, shall become part of the Project and Improvements eligible for the Abatement under this Agreement.
 5. If Owner, at its sole election, desires that the Abatement Period begin prior to January 1 of the first Calendar Year after the COD, then Owner may deliver a notice to the County and County Appraisal District stating such desire (such notice being referred to herein as a "Notice of Abatement Commencement"). If delivered by Owner, the Notice of Abatement Commencement shall contain the following statement: "Owner elects for the Abatement Period to begin on January 1, ____"; the year stated in the Notice of Abatement Commencement shall be the first year of the Abatement Period, and the Abatement Period shall extend for 10 years beyond such date. Owner shall only be permitted to deliver a Notice of Abatement Commencement if it anticipates achieving COD during the next Calendar Year. Owner shall still be required to deliver the Certificate on or before the date required in the preceding paragraph.
 6. Notwithstanding any statement or implication in this Agreement to the contrary, the parties agree that the Abatement granted in this Agreement shall in no event extend beyond 10 years.
- C. All or a portion of the Project and Improvements may be eligible for complete or partial exemption from ad valorem taxes as a result of existing law or future legislation. This Agreement is not to be construed as evidence that no such exemptions shall apply to the Project and Improvements.
- D. Owner agrees that the Project and Improvements, once constructed, will remain in place for at least the remainder of the Term; provided that nothing herein prevents

Owner from replacing equipment or fixtures comprising the Project and Improvements prior to that date so long as the Nominated Phase 1 Capacity of the Data Centers does not drop below the minimum Nominated Phase 1 Capacity required in Paragraph III(A). IN THE EVENT OF A BREACH OF THIS PARAGRAPH IV(D), THE SOLE REMEDY OF THE COUNTY, AND OWNER'S SOLE LIABILITY, WILL BE FOR OWNER TO PAY TO THE COUNTY THE FULL AMOUNT OF ACTUAL TAXES ABATED AT ANY TIME UNDER THIS AGREEMENT ON THE REMOVED PROJECT AND IMPROVEMENTS. IN THE EVENT OF A BREACH OF THIS PARAGRAPH IV(D), ANY TAXES DUE BY OWNER SHALL BE SUBJECT TO ANY AND ALL STATUTORY RIGHTS FOR THE PAYMENT AND COLLECTION OF TAXES IN ACCORDANCE WITH THE TEXAS TAX CODE.

- E. During the Abatement Period, County shall request that the County Appraisal District annually determine both (i) the Certified Appraised Value of Owner's Eligible Property in the Reinvestment Zone(s) and (ii) the taxable value (taking into account the terms of the Abatement in this Agreement) of Owner's Eligible Property in the Reinvestment Zone(s). The County Appraisal District shall record both the Certified Appraised Value and the abated taxable value of the Eligible Property in the County appraisal records. The Certified Appraised Value listed in the County appraisal records shall be the standard used for calculating the amount of taxes to be recaptured by the County in the event that the County is entitled to recapture abated taxes under this Agreement. Notwithstanding any of the foregoing, Owner at all times shall have the right to appeal, challenge, or protest appraisals of the Site, Improvements, and Eligible Property, including any portion thereof.
- G. Within 30 days after the County's approval and execution of this Agreement at a regular called meeting of the Commissioners Court, Owner shall remit to County a fee of Thirty Thousand Dollars (\$30,000.00) which shall be used to offset soft costs incurred by the County in the development of this Agreement.
- H. Within 30 days of the date of receipt of an invoice, Owner shall pay directly to the County's attorneys the reasonable and necessary attorney's fees and expenses incurred, directly or indirectly, by the County in connection with the negotiation and formalization of the Abatement and this Agreement, in an amount not to exceed Fifty Thousand Dollars (\$50,000.00).

V. Decommissioning

Should the Project and Improvements be decommissioned, Owner must comply with all applicable laws and regulations with respect to decommissioning.

VI. Covenants

During the term of this Agreement, Owner shall:

- A. Separately identify labor and materials in any contracts for construction of the Project and Improvements in the taxable amount of \$250,000 or more for the purposes of determining sales and use tax pursuant to Section 151.056(b) of the Texas Tax Code, as applicable on the effective date, resulting in the value of the materials being separately identified from other costs and state that the situs of any sales and use tax paid and related thereto will be to Childress County, Texas.
- B. Make a good faith effort to require all lessees, contractors and vendors of materials to be used in the construction of the Project and Improvements and related lease space to make Childress County, Texas the situs of sales and use taxes; provided, however, Owner's commitments related to the selection of contractors and vendors is governed solely by the Local Outreach Plan.
- C. Deliver to County:
 - 1. Forty-five (45) days prior to the commencement of construction of the Project and Improvements;
 - i. Internal site-road layouts and relevant site road construction drawings that document Owner's plans to construct all-weather access to accommodate the provision of emergency services, including fire protection.
 - ii. A screening plan for Project and Improvements located within 200 feet of a residence, which screening plan shall (1) promote the aesthetics of properties contiguous to the project site, (2) include the mix of vegetative species to be located within 200 feet of a residence and the timing of such plantings, and (3) be subject to Childress County's approval, not to be unreasonably withheld.
 - 2. On or before May 1 of each Calendar Year after COD, (or as soon thereafter as the Certified Appraised Value of Eligible Property Exclusive of Depreciation is available from the Childress County Appraisal District for such Calendar Year), Owner shall certify annually to the County its compliance with this Agreement by providing a written statement of compliance to the County Judge. The annual certification shall include a detailed listing of all annual Certified Appraised Values of Eligible Property Exclusive of Depreciation in the Reinvestment Zone for the current and any prior years and a listing of Project and Improvement costs prepared in accordance with generally accepted accounting principles and shall include information on the percentage complete for each phase and amount of investment in each phase of the Project and Improvements.

VII. Representations

The County and Owner make the following respective representations:

- A. Owner represents and agrees that (i) Owner, its successors and/or assigns, will have a taxable interest with respect to Project and Improvements to be placed on the Site; (ii) construction of the proposed Project and Improvements will be performed by Owner, its successors and/or assigns and/or their contractors or subcontractors; (iii) Owner's and its successors' and assigns' use of the Site will generally be limited to the use described in this Agreement (and ancillary uses) during the Abatement Period; (iv) all representations made in this Agreement are true and correct in all material respects to the best of Owner's knowledge; (v) Owner will make any filings with the Office of the Comptroller of Public Accounts and other governmental entities concerning this Agreement that may be required now or in the future; (vi) Owner will comply with any applicable environmental laws relating to the Project and Improvements; (vii) Owner agrees to observe all state and federal law restricting the diversion and impoundment of the natural flow of surface water across the Project and Improvements; (viii) Owner shall use commercially reasonable efforts to utilize processes, products and materials that minimize the risk of environmental toxicity emitted by the Project and Improvements; and (ix) Owner agrees to comply with the provisions of Article XI of this Agreement relating to any assignment of this Agreement.

VIII. Maintenance of County Infrastructure, Access to and Inspection of Property by County Employees, and Periodic Statement of Compliance

- A. Owner shall, by contract, cause its prime contractor and major equipment suppliers to restrict their travel to and from the Project and Improvements site to the County roads listed in Attachment E (the "County Roads"); provided that Owner or a Lessee may request at any time in writing that County add other County roads to Attachment E, which request shall not be unreasonably denied. The County acknowledges and approves that (i) the Owner will need to cross the County Roads with heavy construction equipment during the construction, operation, maintenance, and decommissioning of the Project, and (ii) Owner may need to place certain fiber optic and electrical cables for the Project and Improvements across certain County Roads

for the collection, distribution, and transmission of data and electricity to and from various parts of the Project and Improvements, in which case Owner and County agree to negotiate in good faith a crossing agreement for such cables. Owner shall use commercially reasonable efforts to require its prime contractor to restrict all subcontractor travel to and from the Project and Improvements to the County Roads. Owner will be wholly responsible for damage (normal wear and tear excluded) to the County Roads and rights-of-way (including bridges, culverts, ditches, etc.), if damage is caused directly thereto as a result of the construction of the Project and Improvements, or directly as a result of operations and maintenance activity conducted on the Project and Improvements (normal wear and tear excluded), including:

These costs will include all construction costs as well as all related professional services for the repair work, not to exceed 110% of a cost estimate delivered to Owner by a qualified third-party road construction contractor. Owner shall remit payment within thirty days of receipt of billing;
 3. Costs associated with the issuance of a County driveway permit, which shall be required in the event the Project and Improvements are accessed directly by a County Road, and which shall not exceed \$500.00, shall be paid by Owner within thirty days of receipt of billing. Owner agrees to promptly submit a completed County driveway permit application to the precinct Commissioner.
 4. Subject to County approval, which shall not be unreasonably withheld, Owner may conduct dust control and grading activities on County Roads utilized for the Project and Improvements.
 5. Notwithstanding the foregoing, the County hereby preserves all rights and remedies provided under Chapter 251 of the Texas Transportation Code.
- B. Owner shall allow the County's employees and consultants access to the Site for the purpose of inspecting the Project and Improvements erected to ensure that the same are conforming to the minimum specifications of this Agreement and to ensure that all terms and conditions of this Agreement are being met. All such inspections shall be made only after giving Owner forty-eight (48) hours' notice and shall be conducted in such a manner as to avoid any unreasonable interference with the construction and/or operation of the Project and Improvements. All such inspections

shall be made with one (1) or more representatives of Owner in accordance with all applicable safety standards.

IX. Default, Remedies and Limitation of Liability

- A. No party may terminate this Agreement unless (i) such party provides a written Default Notice to the other party specifying a material default in the performance of a material covenant or obligation under this Agreement and (ii) such failure is not (x) excused by the occurrence an event of Force Majeure or (y) cured by the other party within sixty (60) days after the delivery of the Default Notice, or if such failure cannot be cured within such sixty (60)-day period, the other party shall have such additional time, up to 365 days, to cure such default as is reasonably necessary as long as such party has commenced remedial action to cure such failure and continues to diligently and timely pursue the completion of such remedial action before the expiration of the maximum 365-day cure period. Notwithstanding the preceding portions of this paragraph, if any default arises from a violation of law resulting from a change in law or a change in the interpretation or enforcement of law by a governmental entity, then such default shall not give rise to the termination of this Agreement so long as the defaulting party acts in accordance with a commercially reasonable plan of action to minimize the effect of such default prepared by the defaulting party and delivered to the other party. If Owner believes that any alleged termination is improper, Owner may file suit in the proper court challenging such termination. OWNER'S SOLE REMEDY WILL BE REINSTATEMENT, INCLUDING POTENTIAL RETROACTIVE REINSTATEMENT, OF THIS AGREEMENT, AND SPECIFIC PERFORMANCE BY THE COUNTY. In the event of default which remains uncured after all applicable notice and cure periods, the County may pursue the remedies provided for in Paragraph IX(D) and (E) below or the preceding Paragraph IV(D), as applicable.
- B. The County shall not declare a default, and no default will be deemed to have occurred, when the circumstances giving rise to such declaration are the result of Force Majeure. Notwithstanding any other provision of this Agreement to the contrary, in the event a party is rendered unable, wholly or in part, by Force Majeure to carry out its obligations under this Agreement (other than any obligation to make payment of any amount when due and payable hereunder), the obligation of such party, so far as it is affected by such Force Majeure, shall be suspended during the continuance of any condition or event of Force Majeure, but for no longer period, and such condition or event shall so far as possible be remedied with all reasonable dispatch. The party prevented or hindered from performing shall give prompt (but in no event later than twenty business days after the occurrence of such event) notice and reasonably full particulars of such event to the other party and shall take all reasonable actions within its power to remove the basis for nonperformance (including securing alternative supply sources) and after doing so shall resume performance as soon as possible. The settlement of strikes or lockouts or resolution of differences with workers shall be entirely within the discretion of the affected party, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes, lockouts or differences by acceding to the

demands of the opposing party in such strike, lockout or difference when such course is inadvisable in the reasonably exercised discretion of the affected party.

- C. The County shall notify Owner and any Lender (but only if the County has been provided with the name and notice information of the Lender) of any default by delivery of a Default Notice in the manner prescribed herein. The Default Notice shall specify the basis for the declaration of default, and Owner shall have the periods of time specified in Paragraph IX(A) above to cure any default. If Owner provides notice to the County of the existence of a Lender under Paragraph XI(E) and includes the Lender's contact information, then the County shall be required to deliver a copy of any Default Notice to the Lender at the same time that it delivers the Default Notice to Owner. Such Lender shall have the right to cure any Owner default on Owner's behalf and shall be entitled to the same cure periods provided for Owner under this Agreement.
- D. As required by section 312.205 of the Texas Tax Code, if a Defaulting Party (whether such party is Owner or an assignee, the "Defaulting Party") remains uncured after all applicable notice and cure periods, the County shall be entitled to cancel the Agreement with respect to the Defaulting Party only and recover the property tax revenue abated under this Agreement with respect to any Abatement received on property owned by the Defaulting Party through the cancellation date. The Defaulting Party agrees to pay such amounts within sixty (60) days after the cancellation of this Agreement. A cancellation of the Agreement with respect to such Defaulting Party shall not cancel the Agreement with respect to, or otherwise impact the validity of the Agreement with respect to, a party other than the Defaulting Party.
- E. **LIMITATION OF LIABILITY: CANCELLATION OF THE AGREEMENT (RESULTING IN A FORFEITURE OF ANY RIGHT TO ABATEMENT HEREUNDER BEYOND THE CANCELLATION DATE) AND RECAPTURE OF PROPERTY TAXES ABATED ONLY AS PROVIDED FOR AND ONLY UNDER THE CIRCUMSTANCES DEFINED IN PARAGRAPH IX(D) OF THIS AGREEMENT OR PARAGRAPH IV(D) OF THIS AGREEMENT, ALONG WITH ANY REASONABLY INCURRED COURT COSTS AND ATTORNEYS' FEES, SHALL BE THE COUNTY'S SOLE REMEDY, AND OWNER'S SOLE LIABILITY, IN THE EVENT OWNER FAILS TO TAKE ANY ACTION REQUIRED BY THIS AGREEMENT, INCLUDING ANY FAILURE TO PAY AMOUNTS OWED UNDER THIS AGREEMENT. OWNER AND COUNTY AGREE THAT THE LIMITATIONS CONTAINED IN THIS PARAGRAPH ARE REASONABLE AND REFLECT THE BARGAINED FOR RISK ALLOCATION AGREED TO BY THE PARTIES. IN THE EVENT OF A BREACH OF THIS AGREEMENT, ANY TAXES DUE BY OWNER SHALL BE SUBJECT TO ANY AND ALL STATUTORY RIGHTS FOR THE PAYMENT AND COLLECTION OF TAXES IN ACCORDANCE WITH THE TEXAS TAX CODE.**
- F. Any Default Notice delivered to a Defaulting Party and any Lender under this Agreement shall prominently state the following at the top of the notice:

NOTICE OF DEFAULT UNDER TAX ABATEMENT AGREEMENT

YOU ARE HEREBY NOTIFIED OF THE FOLLOWING DEFAULT UNDER YOUR TAX ABATEMENT AGREEMENT WITH THE COUNTY. FAILURE TO CURE THIS DEFAULT WITHIN THE TIME PERIODS PROVIDED BY THE AGREEMENT SHALL RESULT IN CANCELLATION OF THE TAX ABATEMENT AGREEMENT AND, IF PERMITTED, RECAPTURE OF TAXES ABATED PURSUANT TO THE AGREEMENT.

X. Compliance with State and Local Regulations

Nothing in this Agreement shall be construed to alter or affect the obligations of Owner to comply with any order, rule, statute, or regulation of the County or the State of Texas.

XI. Assignment of Agreement

- A. The rights and responsibilities of Owner hereunder may be assigned, in whole or in part, without the County's consent, provided that such assignment shall be final only after the execution of an assignment agreement between Owner and the assignee setting forth the terms of the assignment and expressly requiring the assignee to assume the obligations and responsibilities of Owner relating to any assigned rights, which assignment agreement shall be in the form of a letter acknowledged by Owner and assignee substantially similar to the form attached as Attachment G hereto, and after the delivery of a copy of such assignment agreement to the County. County and Owner shall acknowledge such assignment agreement. Any assignment by Owner that is not compliant with the provisions of this paragraph shall be a default under this Agreement subject to the notice provisions, cure provisions, remedies, and other terms and conditions of Article IX above.
- B. No assignment under Paragraph XI(A) shall be allowed if (a) the County has declared a default hereunder that has not been cured within all applicable notice and cure periods, or (b) the assignee is delinquent in the payment of ad valorem taxes owed to the County or any other taxing jurisdiction in the County.
- C. The parties agree that a transfer of all or a portion of the ownership interests in Owner to a third party shall not require the consent of the County. However, Owner shall provide the County with written notice of any such assignment within thirty (30) days after completion of the assignment.
- D. Upon any assignment and assumption under Paragraph XI(A) of Owner's entire interest in the Agreement, Owner shall have no further rights, duties or obligations under the Agreement. Upon any assignment and assumption under Paragraph XI(A) of only a portion of Owner's interest in the Agreement (for example, if only portion of the Project and Improvements is transferred by Owner to a third party), then (i) each of Owner and each assignee of a portion of this Agreement shall be considered an Owner party under this Agreement, (ii) the County shall cause the property taxes owed by each of the Owner parties to be separately assessed, and (iii) neither of the

Owner parties shall have any further rights, duties, or obligations under the Agreement as to the portion of the Project and Improvements owned by another Owner party.

- E. In addition to its rights under Paragraph XI(A), Owner may, without obtaining the County's consent, mortgage, pledge, or otherwise encumber its interest in this Agreement or the Project and Improvements to a Lender for the purpose of financing the operations of the Project and Improvements or constructing the Project and Improvements or acquiring additional equipment following any initial phase of construction. Owner's encumbering its interest in this Agreement may include an assignment of Owner's rights and obligations under this Agreement for purposes of granting a security interest in this Agreement. In the event Owner takes any of the actions permitted by this subparagraph, it may provide written notice of such action to the County with such notice to include the name and notice information of the Lender. County agrees to reasonably cooperate with Owner and Lenders in the execution of any financing consents, estoppels or amendments requested by the Lenders as a condition of their financing.
